

**JUST FOR FUN
APRIL FOOL'S DAY TODAY!!!**

Let's have some fun :

Answer the following riddles :

A MAN, A GOAT, A WOLF AND A CABBAGE

A man has a goat, a wolf and a cabbage. He has to go across a river by boat, but he can only take one thing at a time. If he takes the cabbage but leaves the goat and the wolf together, the wolf will eat the goat. If he takes the wolf but leaves the goat and the cabbage together, the goat will eat the cabbage.

How can he get the goat, the wolf and the cabbage across the river?

A MAN, HIS DOG AND HIS CAT

A man has a big dog and a little cat. He doesn't like to open the door every time the dog and the cat want to go outside. He makes two holes in the door. One hole is big for the big dog and the other is small for the small cat. All his friends think he is crazy. Why?
